The Select Board shall provide a period not to exceed 15 minutes at the beginning of its semi-monthly meetings. Generally, there will be no discussion of topics raised. The following rules are intended to provide a structured format whereby constituents can provide information about, or comment on, items of select board business only. Only an individual recognized by the chair can speak. Audience members may not interrupt a recognized speaker nor the discussion of the body. The speaker is restricted to two minutes, may only speak once during public comment, and is prohibited from yielding time to another speaker. The speaker must exercise conduct in an "orderly and peaceable manner". Redundant comments are discouraged, and if multiple speakers wish to talk on the same subject, they are encouraged to choose one spokesperson. Use of obscenity and profanity, including gestures, and physical threats is prohibited, as is promotion of private business ventures. The speaker may not approach the select board table, including to provide handouts or other materials. If a speaker or audience member violates any rule herein above, is disturbing or impeding the meeting, or threatens violence or incites imminent lawless conduct, the chair shall direct that such conduct shall immediately cease, and if it does not, the chair has the authority to stop the violator, take away any remaining time to speak, and/or in egregious cases, remove the violator from the meeting.
